RANMA 1/2—

YIN AND YANG WAS NEVER SO MUCH FUN!!™

Meet the Tendos: your average, run-of-the-mill Japanese family. Along with his three lovely young daughters—Akane, Nabiki and Kasumi—patriarch Soun Tendo is the proud owner of the "Tendo Anything-Goes Martial Arts Training Hall," where literally anything can and will happen.

When old friend Genma Saotome comes for a visit, it seems the long-awaited formal betrothal between one of the Tendo girls and Genma's teenaged son Ranma will finally take place. Youngest daughter Akane—who says she hates boys—is reanimated by her sisters for bridal duty.

Unfortunately Genma and his father suffered a strange accident on a recent martial arts training trip in China. They both plunged into one of many "accursed" springs which transform the unlucky swimmers into wine-over—or whatever—drowned there hundreds of years ago.

From now on, a splash of cold water turns Genma's father into a furry, giant panda and Genma well, Ranma Saotome is a beautiful, busty young woman. Hot water reverses the effect—but only until the next time

Voice: **HAPPOSAI**
Identity: Genma and Genma's "Anything-Goes" martial arts master
Notes: an old buck with a penchant for stealing girls' underwear; also a versatile unidentified martial arts

Voice: **MOUSSE (CHINA)**
Identity: Akane's seventeen-year-old suitor
Notes: a secondary villain always looking for a way to outdo a fair book

RANMA 1/2—

YIN AND YANG WAS NEVER SO MUCH FUN!...

Meet the Tendos: your average, run-of-the-mill Japanese family. Along with his three lovely young daughters—Akane, Nabiki, and Kasumi—patriarch Soun Tendo is the proud owner of the "Tendo Anything-Goes Martial Arts Training Hall," where literally anything can and will happen.

When old friend Genma Saotome comes for a visit it seems the long-awaited formal betrothal between one of the Tendo girls and Genma's teenaged son Ranma will finally take place. Youngest daughter Akane—who says the hairy boys—is nominated by her sisters for bridal duty.

Unfortunately, Ranma and his father suffered a strange accident on a recent martial arts training trip in China. They both plunged into one of many "accursed" springs which transforms the unlucky swimmer into whatever—or whatever—drowned there hundreds of years ago.

From now on, a splash of cold water turns Ranma's father into a hairy, giant panda, and Ranma, well, Ranma becomes a beautiful, busty young woman. Hot water reverses the effect—but only until the next time

Name: **HAPPOSAI**
Identity: Soun and Genma's "Anything-Goes martial arts master
Notes: an old fart with a penchant for smoking girls' underwear; actually unbeatable in martial arts

Name: **SHAMPOO**
Identity: A Chinese manshaoshad
Notes: When Ranma's not the unlucky love object, whose Ranma-e-y boy, she just wants him. Shampoo turns into a cat when doused with cold water.
